REMARKS

On Friday 03-11-2016 at approximately 22:35 hours I, Detective Lathrop, was traveling S/B on Pearl Street in an unmarked MPD police vehicle. Directly in front of my vehicle was a gray Nissan Altima with NY registration marker GFN8773 which was traveling at a high rate of speed. I caught up to the Altima at the intersection of Pearl Street and Washington Street where we were both stopped at the red traffic control signal. The signal turned green and the Altima immediately took off again at a high rate of speed, well over the posted 25mph. I activated my lights and siren and initiated a motor vehicle stop of the Altima on Broad Street.

I identified the operator of the Altima as Christian J. Ortega from his CT operator's license. I asked Ortega why he was driving so fast and Ortega stated he was trying to bring his girlfriend home. Ortega's brother was in the front passenger seat and his girlfriend was in the rear passenger seat. I called in Ortega's operator's number and was advised he had an active warrant. I placed Ortega in handcuffs which were double locked and checked for tightness and advised Ortega he was under arrest for the warrant. Officer Wasilewski arrived on scene and transported Ortega to MPD headquarters for processing. The vehicle was secured and left on scene in a legal parking spot. Ortega's brother and girlfriend walked to their destination from the scene.

Ortega was read his notice of rights, which he acknowledged and signed at approximately 2300 hours. Ortega was then

photographed and fingerprinted, which provided an Uniform Arrest # 8872759 in violation of CGS 53a-173* Failure to Appear 2nd .

Ortega was issued a court date of 03-25-2016 at GA-09 located at 1 Court Street Middletown, CT 06457 at 09:00am. Ortega was released on a court set \$2,500.00 cash or surety bond. Ortega was bonded out by Ricky Graham Bonds .

The warrant was canceled from the system.

Nothing further.

REMARKS

On Saturday, 03/12/16 at approximately 1705 hours, I, Officer Jeffries responded to 41 Eastern Drive for a report of a domestic disturbance. The caller stated the female involved left the scene in a silver Volvo.

I observed a female in a silver Volvo in the commuter lot on Eastern Drive near Silver Street.

As I approached the vehicle, I observed the female crying with her head down, listening to music. I knocked on the passenger window, asked if she was Emily, and she nodded her head.

I asked Emily if she had any injuries or needed medical attention, but she denied.

I asked Emily if she had any identification and she told me to, "fuck off." I politely asked her to provide me with her last name and date of birth so I could positively identify her but she stated, "I don't have to give you shit."

Emily exited the vehicle and began to walk away but I grabbed her left arm and escorted her back to her vehicle. Emily said, "don't touch me you fucking asshole." I let go of Emily's arm and tried to verbally calm her down. Emily continued to be verbally aggressive and began to walk away again.

While escorting Emily back to my cruiser, she attempted to get away from me and tried punching me with her right hand. I politely asked Emily to put her hands behind her back but she was non-compliant and continued to be verbally and physically aggressive. Emily was taken to the ground with a Rear Sentry Takedown. Emily was put into a lockup position on the ground until Officer Lemieux arrived on scene.

Emily was placed in handcuffs with her hands behind her back. The handcuffs were tightened for comfort and double locked. Emily began to resist while attempting to put her into the police cruiser.

Emily was later identified with her CT driver's license as Emily Greene.

Emily was taken to the Middletown PD where she was processed.

Emily was charged and released on a \$5,000 non-surety bond for violation of C.G.S. 53a-167a, Interfering with an Officer. Emily is scheduled to appear in Middletown Superior Court, GA-09, on 03/17/16 at 0900 hours.

Case: Closed. One Arrest.

REMARKS

On March 9, 2016 around 0700 hours I (Ofc. Froberg) was observing the flow of traffic in the area on the intersection of Washington Street (state route #66) and Camp Street. I observed a black Dodge Durango pass by my location eastbound on Washington Street with no front marker plate affixed to it as well as

having its drivers side brake lamp out. A check of its rear marker, CT #194ZYB through CT DMV / files showed no information found which I found suspicious as it was not a newly issued series of marker plates which I knew from my police training and experience.

The Durango was signaled and stopped into the parking lot of the McDonald's restaurant located at #914 Washington Street. Upon approach on foot I advised the male operator who was later identified as Keven Tischofer of the reason for the stop and requested he provide me with his operators license, registration of and proof of insurance for the vehicle. Tischofer supplied me with his valid CT operators license but was unable to produce any registration or insurance for the vehicle admitting that it was unregistered and uninsured as his boss have given him the vehicle to use and he was currently working to pay him for it. When questioned as to where he had gotten the marker plate he admitted that he had found it and knew it didn't belong on the vehicle.

Tischofer was issued CT misdemeanor summons #MC378281 for violations of 14-147(c) Misuse of a marker plate, 14-12(a)* Operating an unregistered motor vehicle, 14-213b Operating a motor vehicle without insurance and 14-96e Improper stop lamps with a court appearance date of 3/18/16 @ GA#9. Connecticut marker plate #194ZYB was seized and placed in the department license plate box to be returned to DMV at a later date. Tischofer contacted a private tow from his employer, J&M Auto who removed the vehicle from the scene.

Case cleared by arrest, nothing further.

REMARKS

On 03/10/2016 at approximately 1057 hours I, Officer Kraeger was stopped at the intersection of Main Street and Washington facing North waiting for the light to change from red to green.

I observed a dark in color Ford Thunderbird traveling West bound on Washington Street in the left hand travel lane with no front marker plate. I made a left turn onto Washington Street traveling West bound. I observed the marker plate on the vehicle was bearing CT5ASDL5. A DMV records check indicated that the marker plate belonged on a Chevy Cavalier.

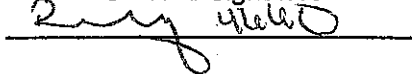

I activated my emergency lights and stopped the vehicle at the intersection of Jackson Street and Washington Street. I approached the operator of the vehicle who would be identified as Kirel Cherry. Cherry stated that he just got the vehicle and that it was not registered, and he had no insurance.

I asked Cherry if he had any narcotics or weapons inside the vehicle. Cherry stated he did not and gave me permission to search his vehicle with Officer Thompson present. I conducted a quick check of Cherry's vehicle and I observed between the right side of the drivers seat and the center console \$50.00 dollar bills that were folded in half. I picked up the money and could immediately detect from training and experience that the bills were counterfeit. I asked Cherry why he had counterfeit money. Cherry stated that he knew the money was fake and that a friend of his he knows as cousin gave it to him in Hartford.

Cherry was placed into custody for the motor vehicle violations and counterfeit money. Cherry was transported to MPD for booking and processing. Cherry was read his rights, processed, charged with Forgery in the 1st degree, Failure to display marker plate 14-18(a), Operation of a motor vehicle without insurance 14-213(b), given a court date of 03/30/2015 at GA-090 and released on a \$10,000.00 Non-Surety bond.

Case closed.
